

# OBJECT LESSONS

# Keys to Remember When Preparing and Doing an Object Lesson

- Physical objects linked to an abstract thought help students to understand and remember the abstract thought.
- Start with the Word of God and then determine which object to use.
- Begin with the known and teach toward the unknown.
- Use as many of the 5 physical senses as you can.
- Practice the presentation.

Physical objects linked to an abstract thought help students to understand and remember the abstract thought.

**FAITH**

***LESSON***

WITH

**AN OBJECT**

Start with the Word of God and then determine which object to use.

- Puts the Word first in every area of life.
- Keeps you centered on the lesson goal.
- Maintains your focus on the Word.

Begin with the *known* and  
teach toward the *unknown*.

# Use as many of the 5 physical senses as you can.

- Hearing
- Seeing
- Touching
- Tasting
- Smelling

# Presentation

Practice it before you do it in front of the class.

Ecc. 11:3 in the place where the tree falleth, there it shall be.

# We can place the Word in...

- THEIR SHORT TERM MEMORY
- THEIR LONG TERM MEMORY
- THEIR HEART

# Keys to Remember When Preparing and Doing an Object Lesson

- Physical objects linked to an abstract thought will help students to understand and remember the abstract thought.
- Start with the Word of God and then determine which object to use.
- Begin with the known and teach toward the unknown.
- Use as many of the 5 physical senses as you can.
- Practice the presentation.
